

New Covid-19 Restaurant Booking Procedures

Due to the ongoing Coronavirus pandemic, we have had to implement some new temporary procedures in order to make a visit to us safe as well as comfortable.

- The Timble Inn will be reopening on Monday 17th May 2021 for indoor and outdoor drinks and dining.
- We politely request all our guests to arrive no earlier than 5 minutes before their table is due to be ready without prior arrangement. This is because we are unable to seat or serve anyone at the bar. If you do wish to arrive early for a drink, we may be able to accommodate you in our guest lounge. Please however call us at least 24 hours in advance to check that we can offer this.
- On arrival, please go to the front entrance where you will see a chalk board giving you instructions on what to do when you enter the premises. Please ensure you are wearing a face covering when entering and moving around the inside of the building.
- We must collect the ALL customer's full names, phone numbers and email addresses before or upon arrival for track and trace purposes (applicable to over 16s). This information will be held and kept securely by us for 21 days.
- There will be table service only until further notice.
- Tables outside – Outside drinks and dining is available for groups of up to 30 guests.
- Tables inside – Inside drinks and dining is available for tables up to 6 from any number of households, or for larger groups up to a maximum of 2 households.
- Adults are responsible for children at all times and we ask that they remain at your table and avoid moving around the venue. We also request that any devices are used with headphones to keep noise levels at a minimum.
- Walk-ins will be accepted where possible.
- We are politely requesting all bills are settled by card payment where possible.
- If the time you would like to book with us is unavailable, then please call us on 01943 880530 and we will endeavour to accommodate where we can.
