

## **Wedding Breakfast and Evening Celebrations at The Timble Inn:**

Congratulations on your engagement and welcome to The Timble Inn. Here at The Timble Inn we can help you plan your ideal Wedding breakfast and evening celebration. Our experienced team with over 20 years of event planning has helped design the grand and big down to the small and simple remembering always that no two weddings are ever the same.

Our beautiful grade 2 listed Inn is situated in the sleepy town of Timble in the heart of the Yorkshire dales and surrounded by breath taking countryside the likes of which no other county can offer. Nine individually designed rooms including a four-poster bridal suite are available to you and your guests, though should more accommodation be required the nearby towns of Harrogate and Otley will provide more options.

Bespoke arrival drinks and exciting Canapés await after the ceremony and rings have been exchanged. Either taken outside on the lawn and decking, or in amongst our warm lounge with its log burning stove.

The Oak beamed restaurant with its traditional décor boasts a more than well stocked bar with locally sourced beers and a plethora of gins. Divided across two interconnected rooms the restaurant can seat parties of 20-25 on each side with crisp white linen and candles adorning all the tables. Take pleasure in choosing a meal to remember for your family and friends whether that be 3, 4 or even 5 courses, just remember to leave enough time for a speech and a dance

Above all else be sure to choose the day for you.
